FOR YOUR LOVED ONE

Celebrate

LIFE

A SPECIAL *Remembrance*

We know that every person who walks this Earth is unique. That's why we offer this special service for families. Our fireworks display creates a one-of-a-kind tribute for your loved one where you can gather to celebrate the happy times you shared with him or her.

- Professionally crafted fireworks show
- Your guests' safety is a priority for our entire staff
- Display coordinated with cremated remains or an expression of love after a burial
- Fireworks show can be orchestrated to music, perhaps a loved one's favorite song
- Host a barbecue before or after the display featuring catered food for your guests

At Greenlawn, we give you the opportunity to plan a sendoff that no one will ever forget.
